Mr. Blugham's Meetings. The Court Room was filled "from pit to dome' on Monday evening, to bear Hon. John A. Bingham discuss National politics. Capt Danford called the meeting to order, and Dr. West was made Chairman. Mr. Bingham then took the stand and made a powerful speech, occupying one hour and fifty minutes in its delivery. He discussed the treachery of Andrew Johnson with the most perfect freedom, and it was noticeable that those parts which were most applauded were those in which he harled maledictions on the head of the faithless "Moses." The Constitutional Amendment, which embraces the great issues of this canvass, was thoroughly discussed, and the justice of its pro-visions clearly presented and enforced. Mr. Bingham's appeals to the people to stand by the dead and the living soldiers of the Republic and the cause for which they struggled and died, were grandly elequent, and made a deep impression on all who were listening to him.

The meeting at Martin's Ferry yesterday afternoon was a splendid one. It was held in the walnut grove, near the town. The Martinsville Brass Band furnished music for the occasion. Mr. Bingham's speech

was reported for the Wheeling Intelligencer. Mr. Bingham will speak on Friday afternoon at Barnesville, Friday night at Hendrysburg, and Saturday afternoon at Flushing.

Township Union Meetings.

The meetings held by the Union -men of Belmont County thus far, are among the best ever held in the County. The People appreciate the magnitude of the issues at stake, and through rains and storms turn out in great numbers to the Township Union Meetings.

On last Saturday we attended meetings with Mr. Danford at Armstrong's Mills and Centreville. The People of Washington Township had arranged seats in the grove. but a storm came up before the speaking commenced and the crowd had to seek shelter. Not more than half the crowd got into the mill, where the speaking took place. It promised to be a splendid meeting, but the storm interfered with it very materially. The Ladies were out in force. Mr. Danford made a fine speech, and it was heartily

The meeting at Centreville, at night, was also a very fine one, although it had rained hard nearly all the afternoon. The house was full, and many remained at the door and windows outside.

The Union men in the South part of the County will give a good account of themselves this Fall, or we are very much mis-

THE FAIRS. - The Belment Independent Fair comes off on the 18th, 19th and 20th days of the present month. Extensive pre-parations are being made for it. The Belmont County Fair will be held at

St. Clairsville September 26th, 27th and 28th. The premium list has been arranged with great care, and is very liberal. It is thought the premiums offered in sweepstakes horses will bring many fast horses to compete for them. The ring has been greatly improved. The grounds of this Society are celebrated for their extraordinary beauty. They are well set in grass and are beautifully shaded with forest trees.

The Harrison County Fair will be held at Cadiz on the 3d, 4th and 5th days of October. The Fairs of this Society have always been good, and we presume this year will be equal to former ones. The managers will accept our thanks for a ticket of ad-

CAPT. AMOS GLOVER, who for two years us has filled the office of County Treasurer, handed over his office on Monday last to his successor, Mr. Barclay Cooper. Capt. He carries with him in his retirement the well wishes of Bosts of friends.

Mr. Cooper, who succeeds Capt. Glover, is an excellent young man, and will make a good officer.
